

Atlas™ Blueprint Stand and Racks

Everything you need to get organized. Atlas Brand Products are made with quality in mind by the original producers of the PlahHold product. The caster wheels are wider, the caster bolt is thicker, the tubing is larger for more strength, the paint is powder coated for durability (most other brands are baked enamel paint), the welds are bigger for more strength and the construction is built to last decades. All clamps, wall racks and mobile stands are interchangeable with Safco, PlanHold, Mayline and other major brands.

All Atlas Products carry a Limited Lifetime Warranty.

Atlas Hanging Clamp

Extruded anodized aluminum clamps will hold up to 100 sheets securely without punching or stapling. Internal steel spring holds clamp open for easy loading. Heavy duty chrome plated steel wing knobs open and close the clamp. Includes snap-on clear plastic label holder. Clamps are interchangeable with other manufacturers. Sold in cartons of six. All clamps are interchangeable with Safco, PlanHold, Mayline and other major brands.
